Dietary Requirements:

Booklet Decline I do not require a handout book for this program.
 In an attempt to balance concern for the environment and the value many participants attach to such material, we offer the option to decline a syllabus booklet. Subject to speaker approval, most presentations will be available on the course website nsanesthesia.ca/s/apc for a period of 3 months following the conference.

I plan to attend the Social Event—Sept. 14 @ 6:30 PM

Receipts will be enclosed in the conference package. Fees apply to individuals and may not be shared between attendees. A full refund less an administration fee of \$50.00 will be made for registrations cancelled in writing by Sept. 5, 2017. No refund will be made after that date.

Gold Level Sponsor:

Bronze Level Sponsors:

Friday

**September
 15
 2017**

Delta St. John's Hotel & Convention Centre
 120 New Gower St | St. John's, NL
 (709) 739-6404

Supported By: Pain Services (Central Zone)
 Nova Scotia Health Authority & Dalhousie University Department of Anesthesia, Pain Management and Perioperative Medicine.

Educationally cosponsored by Dalhousie University Continuing Professional Development

EVENT DETAILS

OVERVIEW

This Program provides an update on pain management for physicians, nurses, physiotherapists, psychologists and health care professionals who have an interest in chronic pain.

The objective is to cover an intensive curriculum within a short period of time. The program will give the clinician an appreciation of the importance of taking an interdisciplinary approach as well as provide updates on key areas of pain management.

TOPICS INCLUDE

- Endocannabinoid System and Cannabinoid Analgesia
- Moving Forward with Fibromyalgia
- How Does the Treatment of Chronic Pain in Children Differ from Adults
- Pain in Older Adults
- Appropriate Prescribing in Chronic Pain
- Complex Regional Pain Syndrome
- Pain During Intercourse: a couples' perspective
- Cannabinoid Clinical Trials in Pain, and Clinical Endocannabinoid Deficiency
- Transitioning Pain Management in the Perioperative Setting for the Highly Opioid Tolerant Patient
- Motivational Communication to Support Self-Management in Pain

ACCOMMODATION

Delta St. John's Hotel & Convention Centre

STUDY CREDITS

This group learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Dalhousie University Continuing Professional Development Office for up to 7.00 Main-pro+ credits. As an accredited provider, Dalhousie University, CPD, designates this continuing professional development activity for up to 7.00 credit hours as an accredited group learning Section 1 activity as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

In keeping with CMA Guidelines, program content and selection of speakers are the responsibility of the planning committee. Support is directed toward the costs of the course and not to individual speakers through an unrestricted educational grant.

September 15, 2017

7:00—8:00 Registration and Breakfast

8:00—8:15 Welcoming Remarks, Introduction and Overview
- Dr. Mary Lynch

Morning Chair—Dr. David Flusk

8:15-9:30 The Endocannabinoid System and Cannabinoid Analgesia

- Dr. Ethan Russo and Dr. Mary Lynch

9:30-10:30 Moving forward with Fibromyalgia

- Kathy Simmons and Jill Seviour

10:30-11:00 Break

11:00-12:00 How Does the Treatment of Chronic Pain in Children Differ from Adults

- Dr. Stuart Wright, Shelley Lowther & Michael Sangster

12:00 – 1:00 Lunch

Afternoon Chair—Dr. Calvin Powell

1:00-2:15 Pain in Older Adults

- Dr. Kim Babb and Dr. Susan Mercer

2:15 – 2:30 Stretch Break

Concurrent Sessions

2:30 – 3:45 A. Cannabinoid Clinical Trials in Pain, and Clinical Endocannabinoid Deficiency

- Dr. Ethan Russo

B. Complex Regional Pain Syndrome

- Dr. Stuart Wright & Michael Sangster

C. Pain During Intercourse: a couples' perspective

- Dr. Natalie Rosen

3:45-5:00 A. Appropriate Prescribing in Chronic Pain

- Dr. John Fraser and Dr. David Flusk

B. Transitioning Pain Management in the Perioperative Setting for the Highly Opioid Tolerant Patient

- Lynn Langille & Paula Hammond

C. Motivational Communication to Support Self-Management in Pain

- Dr. Jill Chorney
