

## Our Mission

What we exist to do

To deliver the highest quality clinical care, education, and research in Medical Imaging.

## Our Vision

What we work toward

To be at the forefront of Radiology in Canada.

### 2014-2018 Focus Areas, Goals & Measures (F,G, M)

#### High Quality Clinical Care

##### F 1: Timely access to investigations or services

- G 1.1: To enhance access to Ultrasound & MR
- G 1.2: To provide imaging services outside the hospital setting

##### F 2: Highest possible level of clinical performance

- G 2.1 (a): To be known for our significant contributions to care teams
- G 2.1 (b): To form a section of Emergency Radiology
- G 2.2: To enhance clinical performance by introducing a Peer Review process

##### F 3: Appropriate use of investigations/ services

- G 3.1: To optimize appropriate use of imaging resources

#### Leveraging Education

##### F 4: Undergraduate Medical Education

- G 4.1: To advance the Department and the Profession by improving the UGME experience

##### F 5: Postgraduate Medical Education

- G 5.1: To be Canada's best and most desirable Resident training program

##### F 6: Continuing Medical Education

- G 6.1: To enhance our professional visibility by delivering high-quality CME to referring physicians in the Maritimes
- G 6.2: To be one of Canada's best CME providers for radiologists in targeted areas
- G 6.3: To provide more opportunities for faculty career planning and professional development

#### Leading Research

##### F 7: Leadership with Focus

- G 7.1: To promote radiology-driven research
- G 7.2: To capitalize on existing strengths and exploit new opportunities

##### F 8: Building Research Capacity

- G 8.1: To increase human resources for radiology-driven research
- G 8.2: To integrate research services into the administrative structure and operations of the Department of Diagnostic Radiology
- G 8.3: To increase our commitment to research time for faculty

##### F 9: Evolving Research Culture

- G 9.1: To raise awareness of research activity and celebrate the successes of our faculty and trainees
- G 9.2: To demonstrate results for resources allocated to research

#### Organizational, Operational & Fiscal Renewal

##### F 10: Aligning Faculty Activity with Strategic Priorities

- G 10.1: To create for each faculty member, a Career Path Profile aligned with the Department's core strategic priorities
- G 10.2 To have a robust recording tool to record individual faculty activities.
- G 10.3 To regularly recognize and celebrate success

##### F 11: Building Appropriate Quality & Safety Infrastructure

- G 11.1: To provide infrastructure to lead and support Departmental Peer Review and Appropriateness

##### F 12: Securing Appropriate Academic Funding

- G 12.1: To fully engage in an Academic Funding Plan (AFP) process

Our Core Values: What characterizes our work

• Excellence • Respect • Accountability • Collaboration • Integrity
